Packages

Looking for an easy sleepover or package camp?

We have lots of packages available now from a simple 24 hour sleepover through to a full week-long camp. These packages include everything: Programme, tented or lodge accommodation (although we also offer an option where you bring your own tents), and catering.

On arrival you are welcomed by your group leader for the weekend. They will be your main point of contact and they will work with you to ensure your stay is smooth. They will be on hand to add filler games when needed or to leave your group to have some free time to visit the shop perhaps.

Accommodation

We have three options for accommodation:

1. **Indoor Accommodation.** This uses the indoor accommodation that we have on site, and we will work with you to ensure that you have the best possible combination for your group. Accommodation includes any of our bedded buildings. In 2018-19 we are extending the Alpine Barn to create a larger 36 bed accommodation exclusively for use with our packages.
2. **Tented Village.** This is situated on Anglesey 1 and is close to the Everett toilet block. The tented village sleeps 36 in bell tents. This number can be increased with additional family-style tents.
3. **Own Tents.** There is also an option to use your own tents which incurs a lower charge.

Catering

Catering takes place in the new Cal Day Cafeteria.

The varied menu includes a range of hot meals throughout the week.

The Guest Services Team send a request for dietary information in good time before your booking, so that every dietary requirement that we know about beforehand can be catered for.

Activities

Each day of a package includes four adventurous activities per participant. The Guest Services Team support this programme planning, but all of our activities are available to choose from.

Each evening includes an additional group activity such as a campfire, outdoor games or mini Olympics. These are also agreed at the time of booking your activities.

Risk assessments are available if required.

Activity Days

We also offer activity day packages.

These activity days are charged at a fixed rate per person for three or four adventurous activities per participant, again chosen from the full list.

To make life easier we also provide a sheltered area to eat a packed lunch or catering is available at an additional cost.
