Supporting the future of Beaudesert Outdoor Activity Centre

The **Friends of Beau** are a network of supporters interested in the past, present and future of Beaudesert Outdoor Activity Centre. Friends are the Trust's fan club and its biggest supporters. We are admirers of its history, and we work together supporting its future both financially and with practical help.

Some of us also volunteer at the site as shop assistants, gardeners, event staff, maintenance assistants or activity instructors. It's a simple process to become a volunteer and the commitment is as little or often as you can manage.

Please join and help us deliver fun, activity and adventure for young people.

As a Friend of Beau, you will receive an electronic Christmas newsletter, and be invited to the Bluebell Walk in May. A chance to come back to Beau, see what we are doing, and meet old friends. You will also receive a discount on our history talks and walks.

We have been investing in our site for many years now, repairing roadways and building new activities and buildings – but there is still much to do. Covid closures hit us hard financially and we have had to put our development plans on hold. We have now relaunched Friends of Beau with a new purpose to gain awareness of what we do, to raise funds and increase our volunteers. One of our first projects will be to raise money to install a new climbing tower to replace the old one at the back of the Cal Day Centre.

To join please complete a membership form. Friends of Beau has gone paperless so please make sure that you include your email address to receive your newsletter. Please pay by bank transfer as this will help reduce our admin costs further and ensures that as much of your donation as possible goes to helping young people at the site. If you are unable to pay by bank transfer please contact reception on 01543 682278 to arrange an alternative method.
